Typical Full-Time Study Period	2 years
Number of Modules	12 (11 core + 1 elective)
Total Programmes Credits	260
Fees per Programme Credit	\$19.50
Total Tuition Fee	\$5070

Master of Commerce in Human Resource Management

SEMESTER 1

Human Resource Management

Code: B9-HRM-22	This module explores the history, principles, and best practices of Human Resource Management, including workforce planning, recruitment, and selection. It develops skills in employee development, performance management, and compensation, fosters strong workplace relations, and applies strategies to enhance motivation, productivity, engagement, and long-term organisational success.
Module Fees: \$390	
Module Credits: 20	

Training and Development

Code: B9-TRD-22	This module covers strategic HR development, adult learning, needs analysis, training design, and modern learning methods. Learners develop skills to enhance employee and management growth through effective workplace training and future-ready solutions, improving performance, fostering innovation, and driving business success with advanced human resource development practices.
Module Fees: \$390	
Module Credits: 20	

Human Resource Planning and Development

Code: B9-HRP-22	This module covers strategic Human Resource Development and Planning, including job analysis, forecasting, and succession management. Learners explore environmental influences, technology use, and global HR practices to build a future-ready workforce, drive sustainable organisational growth, and position HR as a source of competitive advantage.
Module Fees: \$390	
Module Credits: 20	

Managing Equality and Diversity

Code: B9-MED-22	This module explores equality, diversity, and inclusion, guiding learners to recognise and address inappropriate behaviours and understand individual needs. It covers legal frameworks and strategies for creating respectful, fair, and diverse workplaces that foster innovation and organisational success.
Module Fees: \$195	
Module Credits: 10	

Master of Commerce in Human Resource Management

SEMESTER 2

Strategic Human Resource Management

Code: B9-SRM-22	This module equips learners to align HR with business strategy, apply best practices, and develop data-driven workforce plans. It covers performance management, employee engagement, and change negotiation, integrating ethical HR practices to achieve sustainable success and competitive advantage in today's dynamic workplace.
Module Fees: \$390	
Module Credits: 20	

Performance and Reward Management

Code: B9-PRM-22	This module develops understanding of workplace productivity, reward strategies, pay structures, and performance measurement. Learners design competitive compensation systems, implement effective performance management, and align rewards with contributions, gaining strategies to manage team performance and foster employee growth for organisational success.
Module Fees: \$390	
Module Credits: 20	

Employment Law and Industrial Relations

Code: B9-ELR-25	This module introduces key legislation, labour laws, employee relations, trade unions, and collective bargaining. Learners gain insight into dispute resolution, occupational risks, and the role of the International Labour Organisation (ILO) in promoting fair and effective workplace policies.
Module Fees: \$390	
Module Credits: 20	

SEMESTER 3

Contemporary Issues in Work, Employment and People Management

Code: B9-CEP-25	This module examines contemporary human resource management issues, exploring how internal and external factors, market dynamics, globalisation, and government policies influence human resources and organisational strategies. Learners develop approaches to address modern workforce challenges and create competitive advantage in a rapidly changing environment.
Module Fees: \$390	
Module Credits: 20	

Change Management

Code: B9-CHM-25	This module explores the foundations of change, guiding learners through individual, team, and organisational transitions. It addresses common myths, readiness assessment, and resistance management, equipping learners with strategies to implement effective change processes and achieve sustainable success in today's evolving business landscape.
Module Fees: \$390	
Module Credits: 20	

Business Research Methods

Code: B9-BRM-17	This module develops skills in crafting research proposals, conducting literature reviews, and applying suitable methodologies. Learners study research paradigms, sampling, and data collection, analyse quantitative and qualitative data, ensure validity and reliability, present findings, publish conceptual papers, and uphold ethical research standards.
Module Fees: \$390	
Module Credits: 20	

Master of Commerce in Human Resource Management

SEMESTER 3 ELECTIVE GROUP (CHOOSE ONE)

Counselling and Coaching at the Workplace

Code: B9-CCW-22	This module develops skills in workplace counselling and coaching to strengthen relationships and address challenges. Learners gain strategies to support employees, resolve issues, and improve behaviours, fostering an engaged, productive, and motivated workforce while avoiding common coaching pitfalls.
Module Fees: \$195	
Module Credits: 10	

Management of Safety and Health

Code: B9-MSH-22	This module covers health and safety regulations, risk assessment, and hazard prevention. Learners develop skills in accident prevention, workplace wellness, and compliance management to foster a safety culture, protect employees, and enhance organisational productivity and well-being.
Module Fees: \$195	
Module Credits: 10	

Managing Organisations

Code: B9-MNO-22	This module examines organisational structure, culture, and change management. Learners develop strategies to enhance performance, improve decision-making, and drive innovation, while gaining insight into leadership styles, team dynamics, and effective communication for optimising organisational success.
Module Fees: \$195	
Module Credits: 10	

SEMESTER 4

Dissertation

Code: B9-DIS-17	This module develops skills to produce impactful research, including crafting an overview, writing a compelling introduction, conducting an in-depth literature review, designing a robust methodology, analysing findings, and presenting clear conclusions and recommendations.
Prerequisite: B9-BRM-17	
Module Fees: \$1170	
Module Credits: 60
