Admission Requirements	Bachelors or Honours Bachelors Degree from a recognised institution
Technical Requirements	To ensure a smooth and effective learning experience, students enrolling in this programme
Typical Full-Time Study Period	1 year
Number of Modules	9 (8 core + 1 elective)
Total Programmes Credits	130
Fees per Programme Credit	\$19.50
Total Tuition Fee	\$2535
SEMESTER 1	
Educational Foundations	
Code: D8-FED-24	This module introduces the foundational areas of education—philosophy, psychology, sociology, and history—helping learners understand the key components that form the field of education.
Module Fees: \$390	
Module Credits: 20	
Pedagogics and Andragogics in Education	
Code: D8-PAE-24	This module enables learners to identify student needs and integrate them into teaching, learning, and assessment. It offers general strategies relevant to supporting learners in higher education.
Module Fees: \$390	
Module Credits: 20	
Outcome-Based Assessment	
Code: D9-OBA-25	This module teaches learners to plan, design, and administer outcome-based assessments using competency-based methods. It focuses on aligning assessments with programme learning outcomes to effectively measure student learning.
Module Fees: \$195	
Module Credits: 10	
Curriculum Design, Development and Review	
Code: D8-CDR-24	This module explores historical, philosophical, economic, political, and sociological perspectives on curriculum design, development, implementation, and review. Learners will also apply contemporary and real-world educational issues across various themes.
Module Fees: \$195	
Module Credits: 10	
Introduction to Psychology of Education	
Code: D8-PSE-25	This module equips learners with knowledge and skills in the psychology of education, child development, and learning psychology. It addresses diverse learning needs, focusing on how learners learn, effective instructional methods, learning environments, and the cognitive, emotional, and social influences on learning.
Module Fees: \$195	
Module Credits: 10	

SEMESTER 2

Integrating Technology into Curriculum

Code: D7-ITC-25	This module equips learners with the knowledge and skills to use technology effectively in teaching, learning, and assessment. It supports curriculum planning, delivery, and evaluation across face-to-face and online modes, enabling educators to develop e-learning content, provide learner support, assess progress, and manage academic tasks efficiently.
Module Fees: \$195	
Module Credits: 10	

Research Methods

Code: D8-REM-25	This module equips learners with lifelong research skills, fostering a commitment to continuous learning. It develops understanding of research principles, methods, and theories, and their impact on the research process, enabling learners to critically apply appropriate approaches throughout their academic and professional careers.
Module Fees: \$390	
Module Credits: 20	

Teaching Practicum

Code: D8-TPT-24	This module offers learners the opportunity to apply principles of teaching, learning, and assessment in higher education. It provides hands-on experience to develop professional skills and create effective learning environments, fostering awareness of the roles and responsibilities involved in becoming a reflective and impactful educator.
Prerequisite: D8-PAE-24	
Module Fees: \$390	
Module Credits: 20	

SEMESTER 2 ELECTIVE GROUP (CHOOSE ONE)

Understanding Student Diversity in Higher Education

Code: D8-USD-24	This module promotes tolerance and a sense of security in diverse learning environments. It fosters intercultural sensitivity, helping learners navigate differences in culture, religion, race, gender, and more. Students gain improved cultural awareness, creativity, performance, and the ability to challenge prejudice and embrace diversity in educational and social settings.
Module Fees: \$195	
Module Credits: 10	

Leadership and Management in Higher Education

Code: D8-LMH-24	This module provides learners with comprehensive knowledge of leadership and management in education. Aimed at aspiring leaders, it covers key areas such as innovation, educational technology, communication, conflict resolution, organisational culture, policy, inspection systems, and leadership philosophy, equipping learners for effective administration in academic settings.
Module Fees: \$195	
Module Credits: 10	

Context and Policy in Higher Education

Code: D8-CPH-24	This module explores key education policy issues through historical, philosophical, economic, political, and sociological lenses. Students will analyse the development of education systems and debate education's role in society, enhancing their critical thinking and analytical skills in relation to education and policy.
Module Fees: \$195	
Module Credits: 10
