Typical Full Time Study Period	3-6 Years
Number of Modules	3 (2 taught modules + 1 Dissertation)
Total Programme Credits	360

Doctor of Philosophy (PhD) in Business Administration

Tuition Fee Per Semester**	\$600 **Programme fees vary based on the number of semesters required to complete
----------------------------	---

Lectures, Seminars and Workshops

Code: B10-LSW-25	This module introduces the candidates to advanced lectures, seminars and workshops providing intensive training in research philosophy, ethics, methodology, data management and academic writing. It equips scholars with rigorous analytical and scholarly capabilities essential for producing high impact research and achieving professional excellence in contemporary business environments and practice.
Module Credits: 20	

Research Proposal Writing and Colloquium

Code: B10-RPC-25	This module equips the candidates with the skills to identify research gaps, formulate a viable problem, and design a rigorous and business management relevant research proposal. The module also prepares candidates for the colloquium, where they will present and defend their proposal before an expert panel for constructive evaluation, refinement and enhancement of the proposal's overall quality.
Module Credits: 20	

Dissertation

Code: B10-DIS-25	This module focuses on developing an original, high impact research study that advances both theory and practice. Candidates engage in research idea development, literature review, methodological design, data analysis and the formulation of conclusions and recommendations. Continuous supervision, scholarly dialogue, periodic colloquia and a final Viva Voce examination ensure methodological rigour, academic quality, and practical relevance of the completed dissertation.
Module Credits: 320
